FRIDAY, DEC. 9th, 9 A.M. - 6 P.M. "Pioneers" Dispense Hospitality

A century or more ago the top picture would have shown a covered wagon. Now, this modern kitchen trailer, drawn by a station wagon, is crossing the country driven by Helen and Joe Eatman. Visiting here, the Eatmans will dispense Nestlé hospitality by serving Nescafé, the modern instant coffee, and Nestlé's chocolate products to all who stop at their "Caravan" during its stay. The Eatmans claim to be pioneers because their employer, The Nestlé Company, Inc., is among the first of the food manufacturers ever to send a trailer such as this on tour.

FRIGIDAIRE IMPERIAL Laundry Match-Mates

Pick them in all white, or in a two-toned effect with white top and cabinet in your choice of four colors, as you prefer. There's sure to be an arrangement to please your taste in color. Both of these Laundry Match-Mates are styled to match each other and engineered to work together to give a new lift to your washdays.

AUTOMATIC WASHER —flexible beyond belief

Here's the Automatic that's like "2 washers in 1." Set the new Econo-Dial for the size of the load, the kind of fabrics to be washed. Working hand in hand with the Select-O-Dial, the amount of water used and length of washing time are automatically adjusted. Saves gallons of hot water. This Automatic spins pounds more water out of clothes, to cut down on drying time and cost. Even more, it washes clothes cleaner than you ever dreamed. See it today.

FILTRA-MATIC ORYER - no venting needed You won't spend a penny for plumbing or venting, for the amazing Filtrator handles objectionable hot.

moist air and lint. Dries clothes soft, fluffy - to the exact degree of dryness you want. Ozone "sunshine" lamp gives sweet, clean, fresh smell to the clothes. Come in - and win! \$100,000

most thrilling safety measure in the land.

best Buick yet. Can you make it this week?

Gas Mileage goes up AGAIN

And so does the thrill -with Buick's new Variable Pitch Dynaflow!

With All the big excitement of Buick's 1956 styling and power and ride and handling-it's easy to overlook this fact:

Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself. Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepowers, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels-because each one has a new double "Y" manifolding, and a new high in compression ratio.

But the major reason for the happy news in gas mileage -and for the new step-up in safety and thrills-is Buick's latest version of Variable Pitch Dynaflow.

In this airplane-principled transmission, you always had a gas-saving cruising range-and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

FRIGIDAIRE IMPERIAL Laundry Match-Mates

Pick them in all white, or in a two-toned effect with white top and cabinet in your choice of four colors, as you prefer. There's sure to be an arrangement to please your taste in color. Both of these Laundry Match-Mates are styled to match each other and engineered to work together to give a new lift to your washdays.

AUTOMATIC WASHER —flexible beyond belief

Here's the Automatic that's like "2 washers in 1." Set the new Econo-Dial for the size of the load, the kind of fabrics to be washed. Working hand in hand with the Select-O-Dial, the amount of water used and length of washing time are automatically adjusted. Saves gallons of hot water. This Automatic spins pounds more water out of clothes, to cut down on drying time and cost. Even more, it washes clothes cleaner than you ever dreamed. See it today.

FILTRA-MATIC ORYER - no venting needed You won't spend a penny for plumbing or venting, for the amazing Filtrator handles objectionable hot.

moist air and lint. Dries clothes soft, fluffy - to the exact degree of dryness you want. Ozone "sunshine" lamp gives sweet, clean, fresh smell to the clothes. Come in - and win! \$100,000

most thrilling safety measure in the land.

best Buick yet. Can you make it this week?

Gas Mileage goes up AGAIN

And so does the thrill -with Buick's new Variable Pitch Dynaflow!

With All the big excitement of Buick's 1956 styling and power and ride and handling-it's easy to overlook this fact:

Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself. Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepowers, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels-because each one has a new double "Y" manifolding, and a new high in compression ratio.

But the major reason for the happy news in gas mileage -and for the new step-up in safety and thrills-is Buick's latest version of Variable Pitch Dynaflow.

In this airplane-principled transmission, you always had a gas-saving cruising range-and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

FRIGIDAIRE IMPERIAL Laundry Match-Mates

Pick them in all white, or in a two-toned effect with white top and cabinet in your choice of four colors, as you prefer. There's sure to be an arrangement to please your taste in color. Both of these Laundry Match-Mates are styled to match each other and engineered to work together to give a new lift to your washdays.

AUTOMATIC WASHER —flexible beyond belief

Here's the Automatic that's like "2 washers in 1." Set the new Econo-Dial for the size of the load, the kind of fabrics to be washed. Working hand in hand with the Select-O-Dial, the amount of water used and length of washing time are automatically adjusted. Saves gallons of hot water. This Automatic spins pounds more water out of clothes, to cut down on drying time and cost. Even more, it washes clothes cleaner than you ever dreamed. See it today.

FILTRA-MATIC ORYER - no venting needed You won't spend a penny for plumbing or venting, for the amazing Filtrator handles objectionable hot.

moist air and lint. Dries clothes soft, fluffy - to the exact degree of dryness you want. Ozone "sunshine" lamp gives sweet, clean, fresh smell to the clothes. Come in - and win! \$100,000

most thrilling safety measure in the land.

best Buick yet. Can you make it this week?

Gas Mileage goes up AGAIN

And so does the thrill -with Buick's new Variable Pitch Dynaflow!

With All the big excitement of Buick's 1956 styling and power and ride and handling-it's easy to overlook this fact:

Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself. Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepowers, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels-because each one has a new double "Y" manifolding, and a new high in compression ratio.

But the major reason for the happy news in gas mileage -and for the new step-up in safety and thrills-is Buick's latest version of Variable Pitch Dynaflow.

In this airplane-principled transmission, you always had a gas-saving cruising range-and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

FRIGIDAIRE IMPERIAL Laundry Match-Mates

Pick them in all white, or in a two-toned effect with white top and cabinet in your choice of four colors, as you prefer. There's sure to be an arrangement to please your taste in color. Both of these Laundry Match-Mates are styled to match each other and engineered to work together to give a new lift to your washdays.

AUTOMATIC WASHER —flexible beyond belief

Here's the Automatic that's like "2 washers in 1." Set the new Econo-Dial for the size of the load, the kind of fabrics to be washed. Working hand in hand with the Select-O-Dial, the amount of water used and length of washing time are automatically adjusted. Saves gallons of hot water. This Automatic spins pounds more water out of clothes, to cut down on drying time and cost. Even more, it washes clothes cleaner than you ever dreamed. See it today.

FILTRA-MATIC ORYER - no venting needed You won't spend a penny for plumbing or venting, for the amazing Filtrator handles objectionable hot.

moist air and lint. Dries clothes soft, fluffy - to the exact degree of dryness you want. Ozone "sunshine" lamp gives sweet, clean, fresh smell to the clothes. Come in - and win! \$100,000

miles from every tankful of gas,

most thrilling safety measure in the land.

best Buick yet. Can you make it this week?

Gas Mileage goes up AGAIN

And so does the thrill -with Buick's new Variable Pitch Dynaflow!

With All the big excitement of Buick's 1956 styling and power and ride and handling-it's easy to overlook this fact:

Gas mileage in the '56 Buicks takes a big step upward. One reason, of course, is the new power plant itself. Every new Buick cradles an advanced 322-cubic-inch V8 engine with the highest horsepowers, Series for Series, in all Buick history. Yet every engine delivers more efficiency, and more usable power to the rear wheels-because each one has a new double "Y" manifolding, and a new high in compression ratio.

But the major reason for the happy news in gas mileage -and for the new step-up in safety and thrills-is Buick's latest version of Variable Pitch Dynaflow.

In this airplane-principled transmission, you always had a gas-saving cruising range-and, at a switch of the pitch, a full-power getaway range.

Now Buick engineers have brought to this cruising range what they call "double regeneration." It simply means a new way to make flowing oil add to its own velocity to build up driving force.

we go on deck?"

"When they have the sails set."

The cutter had taken the wind and was running free, and from the sounds on deck Jered that Beale was at the teller, the boy forward on lookout. He raised Phoebe from the settee, thrust her before him up the companionway. The moonlight shimmered on the huge mainsail that was one of Captain Proctor's articular delights. "How beautiful it could all be," Phoebe said. They sat shoulder to shoulder forward of the mast, as the cutter rolled in the small sea.

A man was at the taffroil and trying to leap across it. Blood was down his twisted, stunned face. His mouth gaped over broken teeth. "I'm no sailor, and they won't let me leave."

Mr. Cupp came to strike the man down out of sight. Mr. Cupp wore a tarpaulin hat and an almost rentle smile. "Excuse us. Miss and Cap'n" he said. "The feller don't rightly know to what he put his name. Have the ladder ready instanter, sir, and here's a line for your chest." Sell It! - Buy It! irniture, Guns, Sport goods, leaters, Jewelry, Kitchen **Pictures**, Records Books He took her hand. "I'll be coming backs to you. We'll have our own home, our youngsters. Don't you lose hope."

Tom Beale took and made fast the line. He held the bottom rung of the Jacob's ladder while Jered still stared at Phoebe. "You think you can't," she said. "You'd have me believe it's wrong. Cupp's a brute; the crew will be beaten into being sailors; the quarters aren't correct. I haven't the interview.

Enjoy making this Clabber Girl...

and only creamo contains cream

ingerbread. Notice the lelightful flavor y the recipe ingredients. ectacular, you will say, ut a fine chance to show how good your paking can be.

UPSIDE DOWN GINGERBREAD Yield: 4-6 servings

A cup butter or margarine, melled
A cup Armly packed brown sugar
4 slices canned pineapple, drained
4 fless maraschino cherries,
drained
2 oups sifted all-purpose flour
2 leaspoons Clabber Girl
Baking Powder
1 isospoon salt

** cup shortening

** cup shortening

** cup beet or cane sugar

1 egg

** cup dark molasses

** cup milk

Spread melted butter or margarine in bottom of oiled or greased \$2.50. Argressed Systematics (whole or cut) and maraschine cherries in pattern on top of sugar. Sift together flour, baking powder, spices, and soda. Cream together shortening and sugar until duffy Beat in egg and molasses. Stir in sifted dry ingredients and milk alternately, a little of each at a time. Spread on top of pineapple. Bake at \$50. F. (moderate oven) about 50 minutes. Let stand for 5 minutes in pan. Turn upside down on serving plate. Cut in squares or oblongs, and serve with systematic whipped cream.

CLABBER GIRL

It's fully automatic, yet budget priced. No scorching with this G-E beauty.
